Destination -

June 26—July 2, 2023

**D**o you have a student (or two) who has strong musical intuition, is a natural leader and needs to take choral singing and leadership to the next level? If so, we hope you will recommend them for the 2023 National Honor Choir (NHC) for a fun 7 days and 6 nights of singing in and around Williamsburg, VA and Washington, D.C.! Transformational concerts will be sung in churches and beautiful venues throughout the Eastern Seaboard region as well as in Washington, D.C. at St. Matthew's Cathedral, the National Shrine, National City Christian Church, and the US Naval Academy Chapel in Annapolis.

The NHC is comprised of some of the nation's finest high school students who have completed grades 11 & 12. In a few cases, we will accept those who have completed their 10th grade year. Recommendation by a church or school choir director is the first step toward acceptance into the National Honor Choir. The process is surprisingly simple!
